United States v. Orlando CARMONA-SERRANO  
(S16) 16 Cr. 387 (JMF)

Dear Judge Furman:

This letter is submitted to request the release of Mr. Carmona's sentencing minutes from the proceeding conducted on April 11, 2024. The government does not object.

The reason for the request is two-fold. First, while admittedly the likelihood of my client filing an appeal from his 240-month sentence is slim, I must nonetheless be entirely certain and the only way to do that is to have a copy of the transcript to review with him. Second, as the Court is aware, Mr. Carmona has two federal indictments pending in the District of Puerto Rico as well as one local arrest warrant. I am counsel of record to Mr. Carmona in one of the federal indictments, local counsel Laura Maldonado, Esq. is counsel to him in the second. Having a copy of last week's sentencing transcript here in the Southern District of New York is necessary to assist us in seeking to resolve Mr. Carmona's cases there.

Respectfully submitted,

/s/  
HOWARD LEADER
